VOL. XVI.

## WEEKLY CITIZEN.

SATURDAY, DECEMBER 25, 1886.

Tue arrival of Col. Geo. F. Robenson nous blast several furnaces, and the establishment of these works offers to the owners of such properties a splendid oppartunity of making them productive and valuable. Any one can appreciate the value anch works will be to our city. and it is a plain mathematical proposition of the number of great American dollars they will acces to be circulated in our milst also would remain buried in our hills but for the establishment of some such works here. It therefore is greatly to our own interest to receive such an enterprise with open arms and a such an enterprise with open arms and a proper degree of encouragement. When the company's representatives arrive let the company's representative arrive let the company are them by received cordially and made welcome to our city; let them be made to think this is a community of good and alike were made glad. liberal people, whether such be the fact or not, and above all things, tie the people look only at the good that will come to them and show the proper spirit of appreciation. In the meantime, as the least possible evidence of the esti- Landers, Mrs. Wm.
